

# Product Specifications

## Red Insulating Varnish

Part Number 6084  
Category Number 6180  
UPC 088193060841

A flexible, tough, oil-proof film.

### Physical Characteristics

|       |                    |
|-------|--------------------|
| Type  | Insulating varnish |
| Color | Redish-Clear       |

### Packaging Details

|                       |             |
|-----------------------|-------------|
| Container             | Aerosol Can |
| Aerosol Can Size (oz) | 16 oz       |
| Volume                | 13 oz (net) |
| Standard Qty          | 1           |
| Master Qty            | 12          |
| Price Per             | 1           |
| Package Length        | 2.70        |
| Package Width         | 2.70        |
| Package Height        | 8.20        |
| Package Weight        | 1.25        |

### Performance Data

|                       |                                                                                                      |
|-----------------------|------------------------------------------------------------------------------------------------------|
| Applications          | For armature and stator windings, high voltage circuits coating frayed insulation                    |
| Operating Temperature | 60°F to 80°F                                                                                         |
| Flammability          | Flammable                                                                                            |
| Flash Point           | < -0°F                                                                                               |
| Dry Time (min)        | 10 Min                                                                                               |
| Dry Time Tack Free    | 45 Min                                                                                               |
| Special Features      | Tough Industrial Strength Oil and Waterproof Coating to Insulate Electrical Equipment and Components |

### Certifications

|                |    |
|----------------|----|
| RoHS Compliant | No |
|----------------|----|
