

Product Specifications

13 in 1 Ratcheting Screwdriver

Part Number D131R
Category Number 6755
UPC 781002812517

The D131R is a 13 in 1 Ratcheting Screwdriver that has a precision 28 tooth ratchet capable of delivering over 225lbs of torque strength making fastener installations quick and easy. It also comes with a convenient patented retractable bit cartridge that is loaded with six double-ended bits for a total of twelve different standard sized drivers and a 1/4" Hex Drive Shaft, which is ideal for driving 1/4" Hex Head Screws.

Physical Characteristics

Type	Screwdriver
Handle Type	Triax
Handle Diameter	1-3/8"
Blade Material	Zinc Alloy
Handle Material	Nylon/ABS Resin
Handle Color	Red/Black
Shank Shape	Hex

Packaging Details

Standard Qty	1
Master Qty	5
Price Per	1
Package Length	10.70
Package Width	3.50
Package Height	1.60
Package Weight	.61
Net Weight	0.61

Performance Data

Torque Strength (lb)	225 lb
Applications	Commercial, Industrial, Residential Industries
Special Features	Heavy Duty Nylon Reinforced Handle, Chamfered Solid Steel Shaft For Long Life and Durability, Cushion Grip, Tapered Design Handle-Extra Comfort and Less Fatigue

Certifications

IGCC	2072
RoHS Compliant	No
