

Product Specifications

15 in 1 Stainless Steel Screwdriver (Bulk)

Part Number D151SSX
Category Number 6762
UPC 781002841562

The D151SSX is a 15 in 1 screwdriver loaded with electroless nickel plated bits for use in areas where high corrosion or humidity exist. The driver is manufactured with a stainless steel shaft and is ideal for use in marine, outdoor, or corrosive applications. It also features a patented retractable bit cartridge that makes it easy to find, change, and store bits.

Physical Characteristics

Type	Screwdriver
Style	15 in 1 Stainless Steel
Handle Type	Triax
Handle Diameter	1-3/8"
Blade Material	Stainless Steel
Handle Material	Nylon/ABS Resin
Handle Color	Blue/Yellow
Shank Shape	Hex

Packaging Details

Standard Qty	1
Master Qty	10
Price Per	1
Package Length	2.00
Package Width	8.80
Package Height	1.50
Package Weight	.55
Net Weight	0.55

Performance Data

Applications	Outdoor, Marine, & Corrosive Environments
Special Features	Palm Saving Rotation Cap, Spring Loaded Ball Bearing Bits, Full Length Solid Steel Shaft, High Impact Triax Housing

Certifications

IGCC	2071
RoHS Compliant	Yes
