

Product Specifications

2" Entrance Cap (Clamp On)

Part Number EC200
Category Number 5690
UPC 781002400301

Entrance Caps are an overhead weatherproof service entry drop point that is attached to EMT, rigid, or IMC conduit, where overhead power wires enter a building. It is an enclosed aluminum clamp on style fitting that has electrical grade Phenolic insulators equipped with multiple holes to accept multiple service entrance cables.

Physical Characteristics

Type	Entrance Cap
Conductor Size	(1) 17/32", (2) 3/4", (3) 1'
Size	2"
Connection	Clamp On
Material	Die Cast Aluminum
Number of Holes	6

Packaging Details

Standard Qty	5
Price Per	100
Package Length	13.50
Package Width	8.80
Package Height	7.30
Net Weight	1.1
Package Weight	5.50

Performance Data

Temperature Rating	-22°F to 226°F
Applications	Permits Weather Resistant Entrance for Type SE Cable
For Use With	EMT, IMC, or Rigid
Environmental Conditions	Wet Locations

Certifications

RoHS Compliant	No
Industry Standard	UL & CSA Listed
