

1/4" Through-Hardened Steel Flat Washer

Part Number FWHA14  
Category Number 4015  
UPC 781002309895

Hard Steel Flat Washers are used to increase the surface area of fasteners in order to more evenly distribute the force applied when fasteners are tightened to a surface. They are intended to be used in conjunction with Grade 5 and Grade 8 bolts and nuts. Common applications for hard steel washers include industrial, MRO, manufacturing and oil & gas.

Physical Characteristics

Type	Flat Washer
Size	1/4"
Fits Bolt Sizes	1/4"
Material	Hard Alloy
Finish	Zinc Plated

Packaging Details

Standard Qty	100
Sleeve Qty	500
Master Qty	4000
Price Per	100
Package Length	1.54
Package Width	2.92
Package Height	3.66
Package Weight	.65

Performance Data

Special Features	Hard Alloy, Corrosion Resistant, Industrial Strength
Applications	General Purpose

Certifications

RoHS Compliant	Yes
Meets/Exceeds	ASME B18.21.1
