

Product Specifications

1" Large Draw Stud

Part Number HPLDS100
Category Number 6410
UPC 781002843498

The large draw stud 1" diameter is manufactured for use with the Dottie Hydraulic Punch Tool.

Physical Characteristics

Type	Large Draw Stud
Thread Type	Coarse
Diameter	1"
Material	Alloy Steel
Finish	Black Oxide

Packaging Details

Standard Qty	1
Price Per	1
Package Length	5.59
Package Width	4.17
Package Height	2.68
Package Weight	.95
Net Weight	0.95

Performance Data

Applications	Used in Conjunction with Dottie Hole Punch Tools
