

Product Specifications

1" x 300' Nylon Line Package

Part Number LP100300
Category Number 6050
UPC 781002322160

Line Packages combine piston and string in a single package. They are intended to be used with a portable blower or vacuum to pull rope through the conduit.

Physical Characteristics

Type	Line Package
Size	1" x 300'
Diameter	1"
Length (ft)	300'
Material	Nylon
Color	White

Packaging Details

Standard Qty	5
Master Qty	25
Price Per	1
Package Length	7.09
Package Width	3.70
Package Height	.71
Package Weight	.18

Performance Data

Tensile Strength	17 lbs
Applications	For Use In IMC, EMT, PVC, Rigid and Many Other Conduit Types
For Use With	Blowers and Vacuums
Special Features	Combination Piston/Pull String, Excellent For Use With Portable Blowers, For Use In All Types of Conduit

Certifications

IGCC	5072
RoHS Compliant	Yes
