

Assorted Lock Washer Kit

Part Number LWK
Category Number 4760
UPC 781002310051

The LWK Kit is an assortment of Split Lock Washers that feature 6 different sizes. They are manufactured with a trapezoidal cross section that deflects under load and can be used with or without a hardened flat washer. They also provide marginal resistance to vibration loosening and are ideal in applications where fasteners have a tendency to rotate or lose friction.

Physical Characteristics

Type	Lock Washer Kit
