

# Product Specifications

## 1/2"-13 to 3/8"-16 Reducing Rod Coupling Nut

Part Number RRC32  
Category Number 4860  
UPC 781002173151

Reducing Rod Couplings are used to join two pieces of different sized threaded rod, either vertically or horizontally for extended lengths.

### Physical Characteristics

|                  |                           |
|------------------|---------------------------|
| Type             | Reducing Rod Coupling Nut |
| Thread Style     | UNC                       |
| Size             | 1/2" - 3/8"               |
| Dia./Thread Size | 1/2"-3/8"                 |
| Length (in)      | 1-1/4"                    |
| Material         | Carbon Steel              |
| Finish           | Zinc Plated               |

### Packaging Details

|                |      |
|----------------|------|
| Standard Qty   | 50   |
| Master Qty     | 500  |
| Price Per      | 100  |
| Package Length | 5.60 |
| Package Width  | 4.10 |
| Package Height | 2.60 |
| Package Weight | 4.37 |

### Performance Data

|                  |   |
|------------------|---|
| Special Features | Hexagonal Outer Shape, Zinc Plated                      |
| Applications     | Connects or Extends two different sizes of Threaded Rod |

### Certifications

|                |     |
|----------------|-----|
| RoHS Compliant | Yes |
