

Product Specifications

48" Post Hole Digger

Part Number SPH

Category Number 6780

UPC 781002240402

The SPH is intended to be used for digging narrow holes for posts, fences and signs without strain or tension on your back. It is manufactured from a proprietary compound construction of fiberglass strands and features a fiberglass core handle that keeps the tool lightweight and durable.

Physical Characteristics

Type	Post Hole Digger
Blade Length (in)	8-1/2"
Handle Material	Fiberglass
Handle Color	Yellow

Packaging Details

Standard Qty	1
Master Qty	5
Price Per	1
Package Length	60.00
Package Width	6.50
Package Height	5.50
Package Weight	11.00
Net Weight	11

Performance Data

Applications	Digging, Scooping, & Edging
Special Features	Tensioned Fiberglass, Minimum Breaking Strength of 261 lbs, Safe From Electrical Shock, Does Not Absorb Moisture, Resists Industrial Chemicals, Unaffected by Sub Zero Temperatures, Resists UV Deterioration, Ergonomically Designed Grip

Certifications

IGCC	1662
RoHS Compliant	Yes
