

#12 Green Triple-Grip Anchor Kit w/ Hex Head Combo Drive Screws

Part Number TG12KHx
Category Number 4610
UPC 781002827412

The Multi-Grip Anchor is designed with two expandable wings that grip behind the drywall for maximum holding power. It features advanced cam action technology that expands to create additional pressure against the substrate, helping to provide more stability. These anchors are not recommended for use overhead or where holding values are critical. Suitable materials for use include drywall, block, brick, and masonry.
