

Product Specifications

#8 Assorted Phillips Pan Head Self-Drilling Screw Kit

Part Number TK800PH
Category Number 4810
UPC 781002177074

The TK800PH Kit features six different lengths of #8 Self Drilling Pan Head Phillips Drive screws. Their unique tip design allows them to drill, tap and fasten metal to metal objects in one operation without the need to pre-drill. They are manufactured from durable, cold-heading steel material and heat treated for optimum drill performance and thread forming.
