

3/8"-16 x 2-1/2" (Pipe Size) U-Bolt w/ Strap & Hex Nuts

Part Number U250  
Category Number 4870  
UPC 781002179405

U-Bolts are manufactured from low carbon steel and feature NC rolled threads that are intended to be installed through pre-drilled holes for supporting conduit from strut. They are also ideal for attaching pipe, conduit, or other cylindrical materials. They come furnished with hex nuts and straps.

Physical Characteristics

|                 |                  |
|-----------------|------------------|
| Type            | U-Bolts          |
| Nut Type        | Hex              |
| Thread Diameter | 3/8"             |
| Inside Diameter | 3"               |
| Pipe Diameter   | 2-1/2"           |
| Inside Length   | 3-5/8"           |
| Thread Length   | 1-1/4"           |
| Material        | Low Carbon Steel |
| Finish          | Zinc Plated      |

Performance Data

|                  |                             |
|------------------|-----------------------------|
| Special Features | NC Rolled Machine Threads   |
| Applications     | Supports Conduit From Strut |

Packaging Details

|                |      |
|----------------|------|
| Standard Qty   | 10   |
| Master Qty     | 100  |
| Price Per      | 100  |
| Package Length | 8.10 |
| Package Width  | 5.40 |
| Package Height | 5.70 |
| Package Weight | 4.10 |

Certifications

|                |     |
|----------------|-----|
| RoHS Compliant | Yes |
