## 1/8" Short Wall Grip Anchor

Part Number WG18S  
Category Number 4435  
UPC 781002314004

Wall Grip Anchors, also known as Mollies or Molly Bolts, are manufactured and designed for use in hollow wall installations. When tightened, the body pulls up to enable the anchor to secure itself to thin walls such as paneling and hollow doors. These are length specific anchors. They are installed using the provided machine screw or with a special puller.
