

1/2" Weathertight Hub w/ Grounding Lug

Part Number WTHGL50
Category Number 5462
UPC 781002602705

Weathertight Hubs with Grounding Lugs are used to connect Rigid Conduit or IMC to a metal enclosure. They are manufactured with a non-corrosive zinc alloy hub that is suitable for indoor or outdoor use. They are rated water tight and seal tightly to protect the conduit from moisture, oil and dust.

Physical Characteristics

Type	Weathertight Hub
Style	With Grounding Lug
Thread Type	NPT
Gasket	Rubber
Size	1/2"
Connection	Threaded
Material	Zinc Alloy
Construction	Die Cast

Packaging Details

Standard Qty	10
Master Qty	100
Price Per	100
Package Length	3.70
Package Width	5.30
Package Height	4.80
Net Weight	0.195
Package Weight	1.95

Performance Data

Temperature Rating	Up to 194°F
Applications	Terminates Rigid Conduit Or IMC Into An Enclosure
Special Features	Oversized Locknut Provides Vibration Proof Installation, Meets NEMA Sealing Requirements, Listed for Use in Wet Locations
For Use With	Threaded Conduit
Environmental Conditions	Wet Locations

Certifications

RoHS Compliant	Yes
Industry Standard	UL & CSA Listed
