

# Product Specifications

## 24" Ship Auger & Speed-D-Feed Bit Extension

**Part Number** X24  
**Category Number** 6310  
**UPC** 781002220244

Extensions are used to increase length where additional reach is needed when using a Ship Auger Bit or Speed D Feed Bit. They are manufactured from high grade steel to accommodate 7/16" diameter shanks and are equipped with a heavy duty double set screw lock.

### Physical Characteristics

Type	Ship Auger & Speed D Feed Bit Extension
Size	7/16"
Length (in)	24"
Material	Carbon Steel

### Packaging Details

Standard Qty	1
Master Qty	6
Price Per	1
Package Length	1.20
Package Width	1.25
Package Height	.90
Package Weight	1.46
Net Weight	1.46

### Performance Data

Applications	When Additional Reach is Required
