

# Product Specifications

## 1/2" Power Fishing Piston

**Part number** PFP50  
**Category number** 6040  
**UPC** 781002320302

Power Fishing Pistons are used with a power vacuum or blower to pull line through a conduit run. They are manufactured with a metal pulling eye at both ends for easy installation and feature a tough foam piston that will clean it's own path. The Power Fishing Piston when installed will provide an air-tight seal in the conduit.

### Physical Characteristics

Type	Power Fishing Piston
Eye Material	Steel

### Packaging Details

Standard Qty	5
Master Qty	25
Price Per	1
Package Length	5.59
Package Width	3.86
Package Height	0.63
Package Weight	0.05

### Performance Data

**Special Features**  
Comptaible With Most Pull Lines, Cleans Loose Debris From Conduit, Reusable, Absorbent Material to Swab Moisture From Conduit

### Certifications

RoHS Compliant	Yes
