

# Product Specifications

## 1-1/2" Entrance Cap (Clamp On)

**Part number** EC150  
**Category number** 5690  
**UPC** 781002400257

Entrance Caps are an overhead weatherproof service entry drop point that is attached to EMT, rigid, or IMC conduit, where overhead power wires enter a building. It is an enclosed aluminum clamp on style fitting that has electrical grade Phenolic insulators equipped with multiple holes to accept multiple service entrance cables.

### Physical Characteristics

Type	Entrance Cap
Conductor Size	(2) 19/32", (1) 7/16", (3) 3/4"
Conduit Size (in)	1-1/2"
Size	1-1/2"
Connection	Clamp On
Material	Die Cast Aluminum
Number of Holes	6

### Packaging Details

Standard Qty	10
Master Qty	10
Price Per	100
Package Length	13.1496
Package Width	8.9764
Package Height	9.0551
Net Weight	0.7
Package Weight	7

### Performance Data

Applications	Permits Weather Resistant Entrance for Type SE Cable
--------------	--

### Certifications

RoHS Compliant	Yes
Industry Standard	UL & CSA Listed
